

Application Form for Registering Details of an Equine with a non-UK EU Passport on the UK National Equine Database (NED)

Important note: If you wish to update either the owner name, or owner address on the passport or have a Section IX (which allows for the horse to be signed out of the food chain) inserted, you will not be able to use this form. Instead you will need to contact either the organisation which issued your horse's passport or an aligned or daughter passport issuing organisation in the UK, or the British Equestrian Federation (BEF) E: admin@bef.co.uk or 02476 698871.

Please enter my horse's equine passport details onto NED:

Name of Owner

Address of Owner

.....Postcode.....

E-mail

(This needs to be the same email address you used when you registered with NED)

Tel

Equine Name

UELN/Passport Number

Competition NamesDiscipline.....

.....Discipline.....

.....Discipline.....

I enclose:

A photocopy of Section I - which means the page(s) with the horse's name, Unique Equine Life Number (UELN) or passport number, colour, sex, date of birth, microchip number, sire, dam and damsire (if known), name of breeder, place bred and name of current recorded owner.

A photocopy of Section II - which means the page(s) with the silhouette diagram, written description of markings including any freemark and the signature and stamp of the competent authority who completed these details, of my horse's current passport.

If you are in doubt about which pages to copy, please copy any that you think may be relevant. This will include any pages which translate any terms from another language into English.

Name of organisation which issued this passport

Country from which the passport originated

The fee for this service has been deliberately kept low at £5.00, which only covers processing costs with no element of surplus. Please supply your payment details overleaf

The Data Protection Act 1998

The information you have provided on this form will be used by the National Equine Database to enter your equine's passport record on to NED. The equine information contained in Sections I and II of the passport will be entered on the National Equine Database and will be available to the general public. Your name and address details will be kept private and will only be visible to National Equine Database staff and will not, in any event, be made available to any member of the public without your permission. Your information may also be provided to relevant authorities to assist in the prevention of a disease outbreak or to help in the prevention of crime.

EU Passports
National Equine Database Ltd
Stoneleigh Park, Kenilworth
CV8 2TF

Following submission of this form, your horse's details will appear on NED in 7-10 working days. You will automatically be associated with this equine under the NED account registered with the e-mail address provided. You can then upload more information about your horse including any results not already supplied to NED, and a photograph.
